NAVAL CHIEF INTERACTS WITH PARTICIPANT OF 6th NATIONAL SECURITY WORKSHOP, BALOCHISTAN

Islamabad 20 Nov 20: Chief of the Naval Staff, Admiral Muhammad Amjad Khan Niazi addressed the participants of 6th National Security Workshop, Balochistan held under the auspices of Army Southern Command through video link.

While addressing the participants, the Naval Chief dilated upon prevalent security dynamics in Indian Ocean Region with focus on maritime security challenges. The Naval Chief underscore that Pakistan Navy is ensuring safety and security of international waters through collaborative and independent maritime security initiatives. He further highlighted Pakistan Navy's contribution toward creating maritime awareness and efforts to spur growth of maritime sector for economic prosperity of Pakistan and coastal region.

While responding to the questions of the participants, the Naval Chief underlined major initiatives undertaken by Pakistan Navy to enhance coastal security, promote education, provision of sustained medical facilities and creation of employment opportunities for local populace of Balochistan particularly the coastal community.

The participants comprising notables from Govt and civil society, intelligentsia, media, religious scholars, bureaucrats, lawyers, doctors, students and youth from various districts of Balochistan participated in the workshop. The participants highly appreciated the efforts of Pakistan Navy and suggested further expansion of PN welfare projects across Balochistan.
