PAKISTAN NAVY RELIEF OPERATION CONTINUES IN RAIN AFFECTED AREAS OF GWADAR

Karachi, 29 Feb 24: In recent unprecedented rain spell, Pakistan Navy continues to provide humanitarian assistance and disaster relief to the flood affected people of Gwadar city.

Pakistan Navy troops in coordination with local administration are continuously engaged in de-flooding of homes and streets in different parts of the city while Pakistan Navy boats, divers and mobile medical teams are prepared to promptly respond to any emergency situation. With continued efforts Pakistan Navy troops along with civil administration are trying for early restoration of road connectivities for onward smooth conduct of rescue activities.

Further, Pakistan Navy teams are providing cooked food, drinking water and ration bags to distressed people in various areas of Gwadar. Apart from ration distribution medical assistance is also being provided to the local affected community. In this regard, Pakistan Navy's medical teams are providing free healthcare facilities to flood affectees at a medical camp established for local flood affected populace.

Pakistan Navy has always remained at the forefront in extending humanitarian assistance during natural calamities. Pakistan Navy is determined to continue the rescue and relief operation till the rehabilitation of all distressed people of Gwadar.
