“PAKISTAN NAVY IS STRIVING TO EQUIP ITS HUMAN RESOURCE WITH BEST TRAINING AND EMERGING TECHNOLOGY”

VICE CHIEF OF NAVAL STAFF DURING ANNUAL AWARD CEREMONY OF LOGISTICS COMMAND

Islamabad (22 Jan 19): The Annual Award Ceremony of Pakistan Navy Logistics Command was held at PN Dockyard. Vice Chief of Naval Staff Vice Admiral Kaleem Shaukat was the chief guest on the occasion.

Annual Award Ceremony is held at the end of every year to review overall performance of the units under command and evaluate their efforts in successful completion of various projects.

Speaking on the occasion, Vice Chief of Naval Staff lauded the professional acumen of Logistics Command of Pakistan Navy for undertaking professional tasks with utmost excellence. Vice Admiral Kaleem Shaukat further highlighted that our endeavours towards self reliance and indigenization is a testament of National pride and manifestation of dedication towards service.

Vice Chief of Naval Staff underscored that a modern and strong Navy is indispensable to keep our homeland safe and ensure regional maritime stability. The Vice Chief stated that besides, modernizing PN Fleet; Pakistan Navy is cognizant to equip its human resource with the best training and introduce them to emerging technologies.

Earlier in his welcome address, Commander Logistics Rear Admiral Adnan Khaliq highlighted salient accomplishments of Logistics command during 2018. Later the Chief Guest gave away awards to best units and personnel for their remarkable performance and achievements.
