PAKISTAN NAVY SUCCESSFUL SEARCH OPERATION IN SKARDU

Islamabad, 28 Sep 22: On the request of local administration of Skardu, the diving team of Pakistan Navy while conducting a search operation in Kachura Lake found the dead body of drowned boy. Despite the continuous efforts of local and rescue divers for the past three weeks, the dead body was not found, thereafter the diving team of Pakistan Navy was called. Pakistan Navy's diving team while working in extremely difficult conditions recovered the dead body after three days of continuous effort. Special equipments and improvised coffin was used to exhume the body due to deteriorated situation. The dead body has been handed over to local police for further legal procedure. Pakistan Navy is always ready to serve the countryman in every hour of need.
