PAKISTAN NAVY ACTIVELY PARTICIPATES IN RESCUE & RELIEF OPERATIONS AT CREEKS AREA

Karachi, 14 Jun 23: Pakistan Navy is actively participating in Rescue & Relief operations at Creeks area amid Tropical Cyclone BIPARJOY.

In the latest developments in collaboration with District Government PN Emergency Response Teams evacuated over 1000 personnel from various remote villages of Chuhar Jamali area. Additionally, 40 local fishermen including children were rescued from Kajhar and adjoining Creeks. The rescued fishermen were provided necessary medical assistance by PN medical teams exclusively employed for the purpose. Diving teams of Pakistan Navy SSG assisted Local Administration for safe evacuation of 9000 personnel from Keti Bandar, Karo Chan & Tarky Bundar to relief camps. Emergency Response Teams from Pakistan Navy Creeks Brigade patrolled in remote coastal areas to provide immediate assistance to aggrieved populace.

Pakistan Navy is maintaining continuous liaison with National Disaster Management Authority (NDMA), LEAs, Provincial Government and Local Administration to provide emergency assistance amid natural calamity of Tropical Cyclone.
